## Asthma Reviews

Dear Patient

In order to improve the level of service we provide for our asthma patients we are inviting you to take part in a pilot study to have your asthma review with the practice nurse by telephone consultation rather than having to come into the surgery.

The appointment will last the same length of time (15 minutes) and after the appointment you and the nurse can agree when your next asthma review should be (usually annually). If you are happy to proceed please read the instructions below about what you should do next. If you would **not** like to take part please call the surgery to book an asthma review in the surgery.

### What to do next:

- 1) Call the surgery on 01844 212553 to book the telephone appointment. You will be asked which telephone number you would like us to use when you you're your asthma telephone consultation.
- 2) Download the following forms from the practice website: [www.trinity-health.co.uk](http://www.trinity-health.co.uk)  
Forms to download: i) **Asthma control test**  
ii) **Asthma action plan**
- 3) Make sure you have filled out the **asthma control test** before your telephone consultation
- 4) Make sure you are near the phone when your appointment is due

If you would like to offer any comments or feedback please inform the nurse when you have your telephone consultation.

Thank you for taking part

Kind Regards  
**Dr Martin Thornton**  
GP

**Samantha Abbott**  
Practice Nurse
